

Partnerships

RF COM has partnerships with the highest quality suppliers of Telecommunications Mobile Units components, accessories, and equipment, so we can always offer the best solutions with fast delivery times and the right prices.

RF COM was established in 1994, in São José dos Campos, an important technological center in Brazil, 50 minutes from São Paulo's International Airport.

Besides designing, manufacturing and integrating Trailers, Boats and Shelters for Military applications, RF COM also offers:

- Mobile Units for the broadcast segment
- Mobile Units and Shelters for cellular networks infrastructure
- RF components and instruments
- Test equipment (RF and Avionics)
- Survey/Navigation equipment
- Energy solutions (generators, solar and wind power)
- Customer Support services
