

Air Conditioners

Images for reference only; the model, manufacturer and integration of the equipment may be different for specific projects

Roof Top
Capacities:
13.5 kBTU, 15 kBTU
and 15 kBTU + Heat Pump
Option: Rugged (no Heat Pump)

Split (Inverter)
Capacities:
9 kBTU, 12 kBTU, 18 kBTU, 24 kBTU
all with optional Heat Pump

Wall Mount
Capacities:
3 TR, 5 TR and 5.8 TR

Internal Module
Direct mount

Internal Module
Cassette (Roof)

Internal Module and Return Air Diverters
Duct mount

Internal Module
High Wall
