

Folding Arm Awnings for Mobile Units

Manual or automatic trigger (motorization available in 110 and 220Vac). The manual trigger is manipulated with an included detachable operating handle.

Dimensions (m):

Model		Select	Delta
Width (W)	Min	1,2	1,5
	Max	18,0	5,0
Advance (A)	Min	1,0	1,2
	Max*	2,0	2,0

*Note: Bigger projections are possible, but mobile applications depends on feasibility study.

In **Select** line, lengths of 6 to 6,75m uses 3 folding arms, and above 6,75m, 4 arms. The **Delta** line always use 2 folding arms.

Typical Applications

Application	W (m)	A (m)	Color	Trigger	Model	Code
Lateral Sprinter 413 (32706)	4,15	1,50	White	Manual	Delta	34293
Lateral Sprinter 313 (33818)	3,20	1,50	White	Manual	Delta	35378
Lateral Iveco Longa (34644)	4,50	1,50	White	Manual	Delta	33921
Lateral Doblò (33581/30594)	1,65	1,00	White	Manual	Delta	33477
Traseira Doblò (33581/30594)	1,24	1,00	White	Manual	Delta	37546

The awnings are manufactured customized according to the necessary dimensions. For other applications/configurations, please consult us.
